**MANUFACTURER DEFENDANTS' PROPOSED PARAGRAPH 14 FOR ANY  
ORDER CERTIFYING A NEGOTIATION CLASS AND/OR DIRECTING NOTICE**

14. The certification of a Negotiation Class will have no substantive impact on the claims of any Class Members. It does not toll any limitations period applicable to any Class Member's claims. In addition, the Order does not certify the Negotiation Class for any purpose other than as set out in the Renewed and Amended Notice of Motion, Motion, and Supporting Memorandum, and hereby limits its scope, purpose and effect as set forth therein. This Order makes no finding that Plaintiffs have satisfied or could satisfy any Rule 23 requirement with respect to any other type of class.
